Generate Feature File

☒ **US-24** — Ahc Reports Reports Ahc
Status: To Do

Generated feature file for that user story:

Connected successfully. Found 1 Jira story/stories.

Generate Feature File

☒ **US-24** — Ahc Reports Reports Ahc
Status: To Do

Generated Feature File

```
Feature: Ahc Reports
  As a user
  I want to view Ahc reports
  So that I can access relevant information

  Scenario: Viewing Ahc Reports
    Given I am logged in to the system
    When I navigate to the Ahc reports page
    Then I should see the Ahc reports displayed correctly
```
